Lines of Encouragement...

"The Importance of Being An Active Member of the Lord's Church" will be our Sunday morning sermon. This will be our last lesson in the series entitled, "The Importance of the Church". On a scale of 1-10, how involved are you in the Lord's church? Does your involvement express to God the importance of the church in your life? What things might keep us from being active members? What things might enhance our involvement? Bring your Bible, let's study together. **Randy McCadams will speak to us Sunday evening** as he shares with us pictures of his most recent trip to Honduras. The "Magi Boxes" (that you prepared) were distributed on this trip. Come and hear the latest news from Honduras as Randy brings us up-to-date.

The Haiti Relief Fund...As announced last Sunday, our elders are asking us to contribute to this fund by making our checks payable to the "McKenzie Church of Christ" and earmarking them "Haiti Relief". One check then will be written to Healing Hands International in Nashville to buy the needed supplies for these suffering people. Randy McCadams (who works with Healing Hands) will see that these funds end up at the right place. Every gift (big or small) will be appreciated in the worldwide effort to ease the pain of this terrible tragedy. This is an international call for compassion!

The 74th Annual Bible Lectureship at F-HU is scheduled for Feb. 7-12. "Perfecting God's People" (Christ and Culture in Corinthians) is this year's theme. There will be daily and nightly activities for all ages. A schedule can be seen on the bulletin board in the foyer. People travel hundreds of miles to a part of this event that is located at our back door! Check it out, I think it will be a rewarding experience.

Our "Fish & Wild Game Supper" is just days away (Jan. 30th at 6 p.m.). Preparation and plans are already underway for the big night. If you have no wild game to contribute, please bring side dishes and desserts. We estimate our crowd last year at 375 people, so bring as much as you can! It's going to be a fun night, see you there.

It was said of the early church..."So continuing daily with one accord in the temple and breaking bread from house to house, they ate their food with gladness and simplicity of heart, praising God and having favor with all the people. And the Lord added to the church daily those who were being saved" (Acts 2:46-47). One church expressed her goal with three words: Magnify, Mature, Multiply! Sounds like Bible to me and worthy of our imitation. Can we count on you to do your part?

See You Sunday,
Jim

...JARROD'S JARGON...

What an awesome, fun and eventful weekend we had. I want to say thanks to all of the students who participated this weekend. You are the reason we do this ministry here. Let me start with E.U., again another awesome time at this spiritually encouraging weekend. We got to listen to Lonnie Jones as a keynote speaker and then partake in four other encounter classes. There were roughly 1,000 students participating in this event and we had ten from our congregation there. I want to thank Mary Walker, Terri Delaney and Janet Bailey for going to help chaperone...you girls did an outstanding job, thanks.

Now, let's talk about the cave trip!!! Overall we had a great time. It was a little rough getting started, we made it to the first rest stop on the interstate before the bus broke down. So we had a two-hour layover, before the Huntingdon church (big thanks for their support) came and picked us up and headed on to the caves. The gentleman who ran the rest stop told Randy that this was the best group of teens he had ever seen come through, I am so proud of our kids. We made it to the caves a little later than expected, but we still got to sleep on the floor and crawl through the cave. I want to say thanks to Randy & Terri Delaney, Jeff Whitworth, Josh Walker, Jonathan Wood and Janet Bailey for chaperoning on this trip.

I hope everyone has an awesome week and we will see you Sunday!

J-rod

An Old Farmer’s Advice

- *Life ain’t about how fast you run or how high you climb, but how well you bounce.
- *Words that soak into your ears are whispered not yelled.
- *Meanness don’t jest happen overnight.
- *Forgive your enemies, it messes up their heads.
- *Don’t corner something that you know is meaner than you.
- *It don’t take a very big person to carry a grudge.
- *You cannot unsay a cruel word.
- *Every path has a few puddles.
- *Don’t judge folks by their relatives.
- *Live a good, honorable life. Then when you get older and think back, you’ll enjoy it a second time.
- *Don’t interfere with somethin’ that ain’t botherin’ you none.
- *The easiest way to eat crow is while it’s still warm, ‘cause the colder it gets, the harder it is to swallow.

- *If you find yourself in a hole, the first thing to do is stop diggin'.
- *Sometimes you get, and sometimes you get got.
- *Good judgment comes from experience and a lotta that comes from bad judgment.
- *Live simply, love generously, care deeply, speak kindly, leave the rest to God.
