We are so excited that you have chosen to enroll your child in Amazing Creations Preschool. We look forward to getting to know both you and your child.

Our goal is to provide a variety of learning experiences in a safe, caring, Christian setting. We know that each child develops and learns at his/her own pace and we will adapt our teaching to each child's needs. The curriculum we will use encourages active participation, experimentation and reinforcement through repetition.

You will find in the following pages our "handbook." If you have any questions or concerns, please do not hesitate to call us at home.

We are anticipating an extraordinary 2006-2007 school year!

Tuition will be the same for the short months (August, December and May) to offset the months with five weeks.

Days & Hours of Operation

We will attend preschool on Tuesday and Thursday mornings from 8-12. Please do not drop your child off before 7:45 as we also have children we need to get to school on time. If you will be more than 10 minutes late picking up your child, please call and let us know.

We will follow the public school system calendar. The last day of school may vary. If the public schools are dismissed/cancelled due to weather, preschool will follow those same guidelines. Watch or listen to local news for closings.

Dress & Possessions

Please allow your child to wear comfortable shoes and play clothes. I encourage you also to put a spare set of clothes in their backpack. Please label all belonging's with the child's name.

Snack's

The preschool will provide daily snacks. We may ask for you to help with a special item on days we celebrate a holiday.

Rewards & Discipline

We expect good behavior and it will be rewarded with positive verbal reinforcement. We will have a treasure chest filled with toys and candy that the child will be able to pick from each Thursday if they have had a good week. If unpleasant behavior occurs, we will ask them to stop and think about the behavior and how it affects them and the class. If it continues, we will place the child by a teacher. If this does not remedy the situation, the child will be placed in time-out for 3-5 minutes and then we will discuss returning to the class with good behavior.

Health

Please keep your child home if he/she develops a fever. He/she may return to school 24 hours after the fever has broken. If a child becomes ill at school the parents will be notified immediately. If your child has been exposed to any

sickness at school, we will inform the parents.

Withdrawal

If you need to withdraw your child from our program, we ask that you give us 2 weeks notice so we may fill that spot with another child.

Spiritual Development

We want your child to grow in the understanding of God. This is very important to us. We will incorporate Bible stories into our lessons and offer prayer at snack time. We want the love of God to shine through us as teachers to show your children what He does for us on a daily basis.

Parent-Teacher Communication

There is a mailbox with your child's name on it. We will have all take-home papers in it as well as any notes to parents. Please check your child's mailbox each school day. We encourage you to contact us at any time with questions or concerns.

Progress Reports

We will evaluate your child on a quarterly basis. We will use the Kindergarten Readiness Skills Checklist.

Supplies Needed

The Preschool will provide all of the school supplies your

child needs. All you need to provide is a backpack large enough to hold a folder.

Scheduled Days Off

To be announced in the summer newsletter mailed the last part of July.
